DONNA REECE, PT, NDT CERTIFIED

Donna Reece graduated from Wayne State University and has over 30 years clinical experience. She is certified in Neuro-Developmental Treatment Technique and has trained many clinicians on the application of NDT principles. Donna has worked in acute care, post-acute care, home health and SNF. She has served as a clinical educator to many on a variety of topics beyond NDT including Seating and Positioning, Tests and Measures in Rehabilitation Settings & Allen Cognitive Theory application. Donna has a passion for training clinicians and managing clinical teams to provide quality and comprehensive rehabilitative treatment. She currently works for a large health care organization as Senior Director of Rehabilitation in a post-acute rehab setting. She has held regional positions and has trained clinicians nationwide. Her clinical expertise and passion for excellence provides a motivating, inspiring day of education for rehabilitation professionals.
